Work Experience

DPLUS INTERTRADE COMPANY LIMITED

Frontend Developer (Internship)

- Participated in the development of two internal systems : Cycle Count Chohub System and Bill Collection System for Film Packing Jobs.
- Gathered user requirements and pain points through direct communication with users.
- Designed user-friendly interfaces (UX/UI) based on feedback and real-world workflows.
- Developed and maintained front-end components using React.js and Ant Design.
- Used GitLab and Fork for version control and collaborative development.

Bangkok, Thailand
January 2025 - April 2025

Project Experience

Saimu (SDG) - User Interface (UI)

- Design the user interface for the "Saimu" application, version 2. This app assists users in discovering nearby sacred sites, providing a complete collection of reviews for temples and auspicious places across Thailand. Users can explore well-known temples and view recommended spots based on authentic feedback from previous visitors.

Smiley Gems - Website Design

- Designed a website for Smiley Gems, a jewelry company specializing in genuine gemstones and 9k-18k gold. Led UX/UI design, research planning, wireframe design, and prototype creation.

Saimu - Mobile Application

- Developed the Saimu application using React Native, consolidating horoscope readings, religious rituals, and fortune-enhancing features into one platform. Designed the UX/UI to meet the needs of modern astrology enthusiasts.

Car Rental-Return System - Database System

- Developed a system for RRCar using SQL Server Management Studio and Visual Studio Code to efficiently manage and organize customer data, rental histories, and vehicle information for nationwide car rental services.

Education

Sripatum University 2021 - 2025

Bachelor of Engineering in Computer Engineering
GPA : 3.90

Attawit Commercial Technology College 2019 - 2021

Diploma/High Vocational Certificate
in Information Technology
GPA : 3.94

Activity & Achievements

- Participated in a Cooperative Education Project Presentation Competition 2025
- Participated in SPU Startup Thailand League 2024
- National Skill Standard Assessment Certificate 2021
- Microsoft Office Specialist (MOS) 2019
